Safe Harbor Statement

All statements contained herein, other than statements of historical fact, are "forward-looking" statements within the meaning of Section 21E of the Securities Exchange Act of 1934 and Section 27A of the Securities Act of 1933, as amended. Such statements are based upon management's current expectations and are subject to a number of uncertainties that could cause actual performance and results to differ materially from the results discussed in the forward-looking statements. Factors that could affect the Company's actual results include, among other things, changes to federal and state educational funding, changes to regulations affecting the for-profit education industry, possible failure or inability to obtain regulatory consents and certifications for new or expanding campuses, potential increased competition, changes in demand for the programs offered by UTI, increased investment in management and capital resources, the effectiveness of the recruiting, advertising and promotional efforts, changes to interest rates and unemployment, general economic conditions of the Company and other risks that are described from time to time in the Company's public filings. Further information on these and other potential factors that could affect the financial results or condition may be found in the Company's filings with the Securities and Exchange Commission. The forward-looking statements speak only as of the date of this press release. Except as required by law, the Company expressly disclaims any obligation to publicly update any forward-looking statements whether as a result of new information, future events, changes in expectations, any changes in events, conditions or circumstances, or otherwise.
