Telephone: (703) 312-9580

This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation, or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

Safe Harbor Statement

All statements contained herein, other than statements of historical fact, are "forward-looking" statements within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended, and Section 27A of the Securities Act of 1933, as amended. Such statements are based upon management's current expectations and are subject to a number of uncertainties that could cause actual performance and results to differ materially from the results discussed in the forward-looking statements. Factors that could affect the Company's actual results include, among other things, changes to federal and state educational funding, changes to regulations or agency interpretation of such regulations affecting the for-profit education industry, possible failure or inability to obtain regulatory consents and certifications for new or expanding campuses, potential increased competition, changes in demand for the programs offered by UTI, increased investment in management and capital resources, the effectiveness of the recruiting, advertising and promotional efforts, changes to interest rates and unemployment, general economic conditions of the Company and other risks that are described from time to time in the Company's public filings. Further information on these and other potential factors that could affect the financial results or condition may be found in the Company's filings with the SEC. The forward-looking statements speak only as of the date of this press release. Except as required by law, the Company expressly disclaims any obligation to publicly update any forward-looking statements whether as a result of new information, future events, changes in expectations, any changes in events, conditions or circumstances, or otherwise.

About Universal Technical Institute, Inc.

With more than 220,000 graduates in its 54-year history, UTI is the nation's leading provider of technical training for automotive, diesel, collision repair, motorcycle and marine technicians, and offers welding technology and computer numerical control machining programs. The Company has built partnerships with industry leaders, outfits its state-of-the-industry facilities with current technology, and delivers training that is aligned with employer needs. Through its network of 13 campuses nationwide, UTI offers post-secondary programs under the banner of several well-known brands, including Universal Technical Institute (UTI), Motorcycle Mechanics Institute and Marine Mechanics Institute (MMI) and NASCAR Technical Institute (NASCAR Tech). The Company is headquartered in Scottsdale, Arizona. For more information, visit uti.edu.
