

Universal Technical Institute Announces Change to its Board of Directors

George Brochick appointed to fill vacancy created by Roger Penske's departure

SCOTTSDALE, Ariz., April 1, 2020 /PRNewswire/ -- [Universal Technical Institute](#) (NYSE: UTI), the leading provider of transportation technician training, announced that George Brochick, Executive Vice President - Strategic Development at Penske Automotive Group, Inc. (PAG), has been elected to UTI's Board of Directors, effective March 31, 2020, filling a vacancy created by the departure of Roger Penske. Mr. Penske, Chair of the Board and Chief Executive Officer of PAG, departed from the company's Board, effective March 30, 2020.

"We appreciate Roger's many years of insightful guidance and counsel," said Robert DeVincenzi, Chair of the UTI Board of Directors. "During his eighteen years of service to our board, we have developed a powerful set of industry relationships that continue to serve us to this day, and his peerless industry knowledge has helped us create an educational model that employers have come to rely on."

"We welcome George to our Board of Directors," DeVincenzi said. "His extensive experience, expertise and relationships in the transportation industry will be invaluable in helping UTI continue to meet the needs of students and employers."

"UTI provides a valuable and much-needed service to the transportation industry," said George Brochick, Executive Vice President of Strategic Development at Penske Automotive Group. "I look forward to the opportunity to work with its leaders to help UTI continue to deliver the industry leading technical education for which it is known."

"It has been a pleasure to be a part of the development of UTI and to see the company transform and continue to grow, and I am very pleased to have George Brochick join the UTI Board," said Roger Penske, Chair of the Board and Chief Executive Officer of Penske Automotive Group. "George is a key member of the Penske Automotive executive team and will bring a wealth of transportation industry knowledge and experience to UTI."
