

## LKN Mechanical joins Early Employment Program at NASCAR Technical Institute

*HVACR students eligible for paid work experience at local employer*

MOORESVILLE, N.C., April 16, 2024 /PRNewswire/ -- [Universal Technical Institute](#) today announced the addition of [LKN Mechanical, Inc.](#) to its early employment program at NASCAR Technical Institute in [Mooresville \(N.C.\)](#). Universal Technical Institute is the transportation, skilled trades and energy education division of Universal Technical Institute, Inc.

As part of this agreement, NASCAR Tech students in the [39-week HVACR program](#) hired by LKN Mechanical can work up to 20-30 paid hours weekly while attending school. NASCAR Tech students who work at LKN Mechanical after graduation can participate in their Tuition Reimbursement Program.

"As we continue to expand into skilled trades and energy education, we are focused on expanding our early employment and tuition reimbursement programs to employers in these fields," commented UTI Division President Tracy Lorenz. "We are pleased to announce our relationship with LKN Mechanical. It is the first of its kind for our HVACR students."

"We've seen the Early Employment and Tuition Reimbursement Programs thrive in the automotive field. We are thrilled that LKN Mechanical is providing these valuable options to our HVACR students," shared Regional Vice President and Campus President Robert Kessler.

Established in 2012, LKN Mechanical offers expert HVAC services and operates facilities in Huntersville, Raleigh, and Greer, N.C. LKN Mechanical specializes in heating and cooling systems for commercial applications and delivers a full suite of HVAC products and services to general contractors and businesses.

"Given how close our Huntersville location is to the NASCAR Tech campus in Mooresville, we look forward to students gaining real-world work experience with our team and possibly joining the LKN Mechanical family after graduation," said Service Consultant Ricky Brockmiller.

The [U.S. Bureau of Labor Statistics](#) estimates there will be 37,700 annual job openings for heating, air conditioning and refrigeration mechanics and installers through 2032<sup>1</sup>.
