

## Robert Paganini Named Campus President of UTI-Bloomfield

*Experienced postsecondary leader and ASE-certified master technician to lead campus serving the Tri-State area.*

PHOENIX and BLOOMFIELD, N.J., July 31, 2025 /PRNewswire/ -- [Universal Technical Institute \(UTI\)](#), the transportation, skilled trades, electrical, and energy division of [Universal Technical Institute, Inc.](#), today announced that Robert ("Rob") Paganini has been named Campus President of [UTI-Bloomfield](#). A seasoned executive in automotive and diesel education, Paganini has spent years helping students build careers across the skilled trades, including at the [UTI-Miramar campus](#) in Florida.

Located just 18 miles from New York City, the 102,000-square-foot Bloomfield campus opened in 2018 and offers training in [Automotive Technology](#), [Diesel & Industrial Technology](#), [Welding Technology](#), [HVACR](#), and combined Automotive/Diesel programs. The campus also features [Ford FACT Manufacturer-Specific Advanced Training](#), which enables eligible students to earn Ford credentials and certifications sought by employers nationwide.

"Rob's combination of hands-on industry knowledge, operational expertise, and student-focused leadership will help UTI-Bloomfield continue to thrive," said Tracy Lorenz, President of the UTI Division. "He brings a strong record of building teams, growing programs, and preparing students for meaningful, skilled trades careers."

"I'm proud to step into this role and serve the community I've always called home," said Robert Paganini. "As a New Jersey native, I'm excited to lead a campus that's preparing the next generation of skilled technicians for real, in-demand careers across the region. UTI-Bloomfield has a strong foundation, and I'm committed to building on that momentum with our students, staff, and industry partners."

UTI-Bloomfield partners with top employers across the Tri-State region, including Penske Automotive Group, Hertz Corporation, Crown Lift, Gabrielli Truck, and Sunbelt Rentals, many of whom participate in UTI's Student Early Employment Program, giving students opportunities to earn while they train.
